

**AIRPORT TRANSPORTATION  
FROM  
SKY HARBOR INTERNATIONAL AIRPORT**

Your Ride, offering roomy four-door sedans with large trunks and uniformed drivers, handles our airport transfers. The one-way transfer cost is \$47.00 per car, and the trip takes approximately 20 to 30 minutes. Three or four adults can comfortably share the car.

The Concierge will gladly set up the car service for you; please call ahead with your flight information. Then upon landing, you will call 1-866-467-7433 to tell the dispatcher that you have arrived. He will indicate which exit to take from the terminal and where to stand to meet your car. It will take about 5 minutes for the driver to move from the security lot to your assigned pick up point.

If you prefer to be met inside near the baggage claim with your name on a sign, the cost for this “meet-and-greet” service is \$67.00 per car.

The same car service will provide your return transfer to the airport. Please contact the Concierge with your information.
